

PKM EM SCHOOL, DHALIGAON
SUMMER VACATION PROJECT

Session: 2026–27

CLASS- UKG

Dear Students,

As you begin your Summer Vacation, we hope you enjoy this wonderful break with your family and friends. Summer holidays are a great time to relax, learn new things, and have fun.

Complete the activities in this project neatly and creatively. Read storybooks, practise good handwriting, help your parents with simple household chores, and spend some time playing outdoor games. Always follow good habits, eat healthy food, and take care of your health.

Parents are kindly requested to encourage their child to complete the project independently. Please guide and motivate them whenever needed, but ensure that the work reflects the child's own understanding, creativity and effort.

Submission Date: 4th AUGUST 2026

Bring your completed Summer Vacation Project to school on 04/08/2026. We look forward to seeing your wonderful work and hearing about your holiday experiences.

Wishing you a joyful, safe, and memorable Summer Vacation!
